Little Stanion Primary School Homework - Teal Class

Homework Expectations for your child

In Year 5 we expect the following:

- Daily reading
- Regular spelling practice
- Handwriting
- Times tables practice
- Maths challenge

Handwriting

Handwriting is an important skill to practice and supports writing progress.

For each spelling word, please **write a sentence** including the word, in your best handwriting.

Please hand these in every Thursday, ready to be handed out on a Friday for the next week,

Reading

We have high expectations of the children regarding reading and know how much it supports their progress in school. We would like to see children reading a minimum of 10 pages daily. All children should be reading at least 4 times a week either with an adult or independently. This will be checked regularly in their reading records, which need to be in school daily.

Times Tables Rockstars

Your child has their login for Times Tables Rockstars. It is essential to gain a deeper understanding of mathematical skills, that children are able to recall multiplication facts rapidly. TTRS helps them to consolidate this and increase speed. Multiplication and division underpin many of the areas in Maths that we focus on. We would like children to regularly practice their skills on TTRS to develop this fluency.

Maths

Your child will come home each Friday with a Maths challenge sticker too as part of their homework. Children will either solve a problem or demonstrate their knowledge through worked examples, complementing learning from their week in the classroom. We ask children to spend 15 minutes approximately on this challenge as a minimum.

Spelling

Your child will be bringing home a spelling log book. In this log will be words that your child has highlighted in their spelling lessons that they need to practice at home. Log Books will need to be in school every day.

This year, 5 spellings will be sent home on a sticker (in their homework book) every Friday which will link to the children's spelling groups. The children will be tested the following Friday on those 5 spellings, in the back of the same books. This will help your child, you and us, to see which words they need to practice.
